COMPANY PROFILE

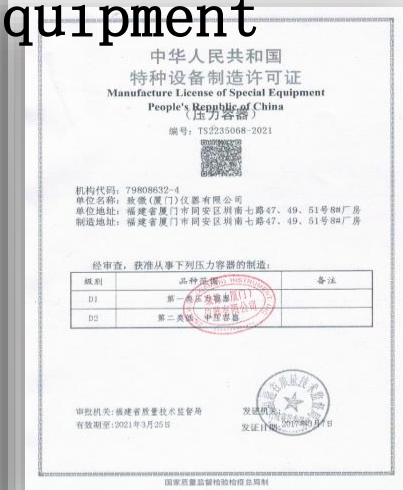

ZEALWAY (XIAMEN) INSTRUMENT INC. is a leading manufacturer of autoclave, founded in 2007, we have been focused on only autoclave for 14 years since then. The main product now is vertical autoclave (from 36L to 120L), table top autoclave (14, 18, 23L) and horizontal autoclave (180L, 280L).

Our own plant area is 6000m², rental 2000m², self-build 1200m², the total number of employees is 213, the production capability is 700-800/pcs autoclaves per month.

With a stylish design, excellent quality and fair price, we become the top competitor of Japanese autoclaves, and has covered the maximum market share in the middle to high end market of autoclave in China and some other countries.

1、Manufacture license of special equipment

3、 Manufacture license of medical equipment

2、CE-PED

4、ISO9001 and ISO13485
